A Note from the Principal

Thank you to everyone who attended our Home and School Association meeting Monday and our Open House Thursday. Both were well attended. Our Home and School meetings are held once a month, and we would like to see as many of our parents there as possible.

Our students attended Mass every day this week except for kindergarten. They will go only on Fridays. We all enjoy the wonderful messages Father Forsythe presents at every Mass.

Marian Pickett

We have a new priest, Father Andrew Forsythe. We are very excited that he is here and look forward to this school year under his leadership.

Labor Day Festival

The Labor Day Festival is the school's biggest fundraiser. We will need everyone's help to make this the best year yet. We are sending home a Labor Day packet for every family. Please look over it, and let us know if they are any questions and let us know how you are able to help.

Breakfast and lunch will be no cost again this year. Although meals will be at no cost, we are still asking everyone to fill out a free and reduced meal application. With these applications we are able to get more federal funding. If you need another application, please let the office know and we will send another one home.

A Few Reminders:

- We are still missing enrollments forms for several students. If you need another one, please let the office know and we will send another form home.
- Please send a reusable water bottle with your child everyday.
- Please be on time everyday. We have morning assembly at 7:50 and then walk over to the sanctuary for Mass.
- We understand that there are several families waiting on uniforms and/or patches. We will be ordering more patches and will be selling those for \$2 a piece.

Welcome back everyone!
