Recycling End of Year Push

Help our school win 1st place in the Lawrence County Recycling Program! Please collect all of your old newspapers, magazines, books, cardboard, and catalogs. The recycling drive begins Nov. 14 and goes through Dec. 13.

The drive will end at 12 Noon on Dec. 13.

No Products will be accepted for the class totals after this time.

The classroom that collects the most number of pounds of recyclable paper products will receive a prize. Last year the school received \$300.00 in this program . Please help us to take 1st place, \$1500.00 prize, this year. If you have any questions, please call the school office at 762-6125.

This is an intensified push. Recycling is a year round program. Please recycle all paper products, cardboard, aluminum cans, old books, magazines, newspapers, etc. No Glass is accepted.

If you have an abundance of paper products you can take it to the dump, they will weigh it and give you a ticket for the poundage. Bring the ticket back to the school and the pounds will go to your child's class.
