### A Note from the Principal

Thank you to all the parents who helped make “Catholic Schools Week” a success. The students enjoyed the activities and the dress-up days.

Our mask supply has been exhausted. Please make sure your student has a mask every day. If a student arrives at school without a mask, he or she will not be admitted until one is acquired. I am sorry to have to do this, but we have given out hundreds of mask, and we have no more to give out. If anyone would like to donate masks, we will be happy to get them.
