A Note from the Principal

We are almost ready to begin our STEM (Science, Technology, Engineering, and Mathematics) meetings. We are fortunate to have Mrs. Carolyn Miller and Mrs. Tina Harris as STEM leaders. They will meet with the students on Wednesdays after school, and the meetings will start as soon as the learning materials arrive and will continue until the end of the school year. Watch for the announcement concerning our first meeting.

Remember: NO SCHOOL Monday, January 18.
