A Note from the Principal

All the numbers are not in yet, but it looks like we had a very successful Labor Day Festival. This event would not be possible if not for joint effort of the parish and the school community.

The Home and School Association met Monday, September 13, at 6:00. We meet every second Tuesday of the month at 6:00 P.M. and welcome and appreciate the attendance of members of our school community.

The faculty will have a day of Diocesan in-service in Nashville Monday, September 20; there will be no school for our students on that day.

Have a blessed week, and thank you for your continued prayers and support.
